

PROSPECTUS

SARACEN INTERNATIONAL

Saracen International School aims at educating and enabling its students for critical thinking, modernization, and flexibility to redefine the global harmony in terms of forbearance, tolerance, respect and mutual growth for a better future. This refinement in behavior will uplift society with a sense of responsibility and empathy. We emphasize the importance of learning in all disciplines like art and literature, science and technology to develop objective oriented youth. Saracen International Schools are one of the most prestigious and concerned academic institutions working to improve educational standards and train students for handling any unseen and non structural problem. Our network will meet all national and international needs of students to remain competitive in achieving life goals.

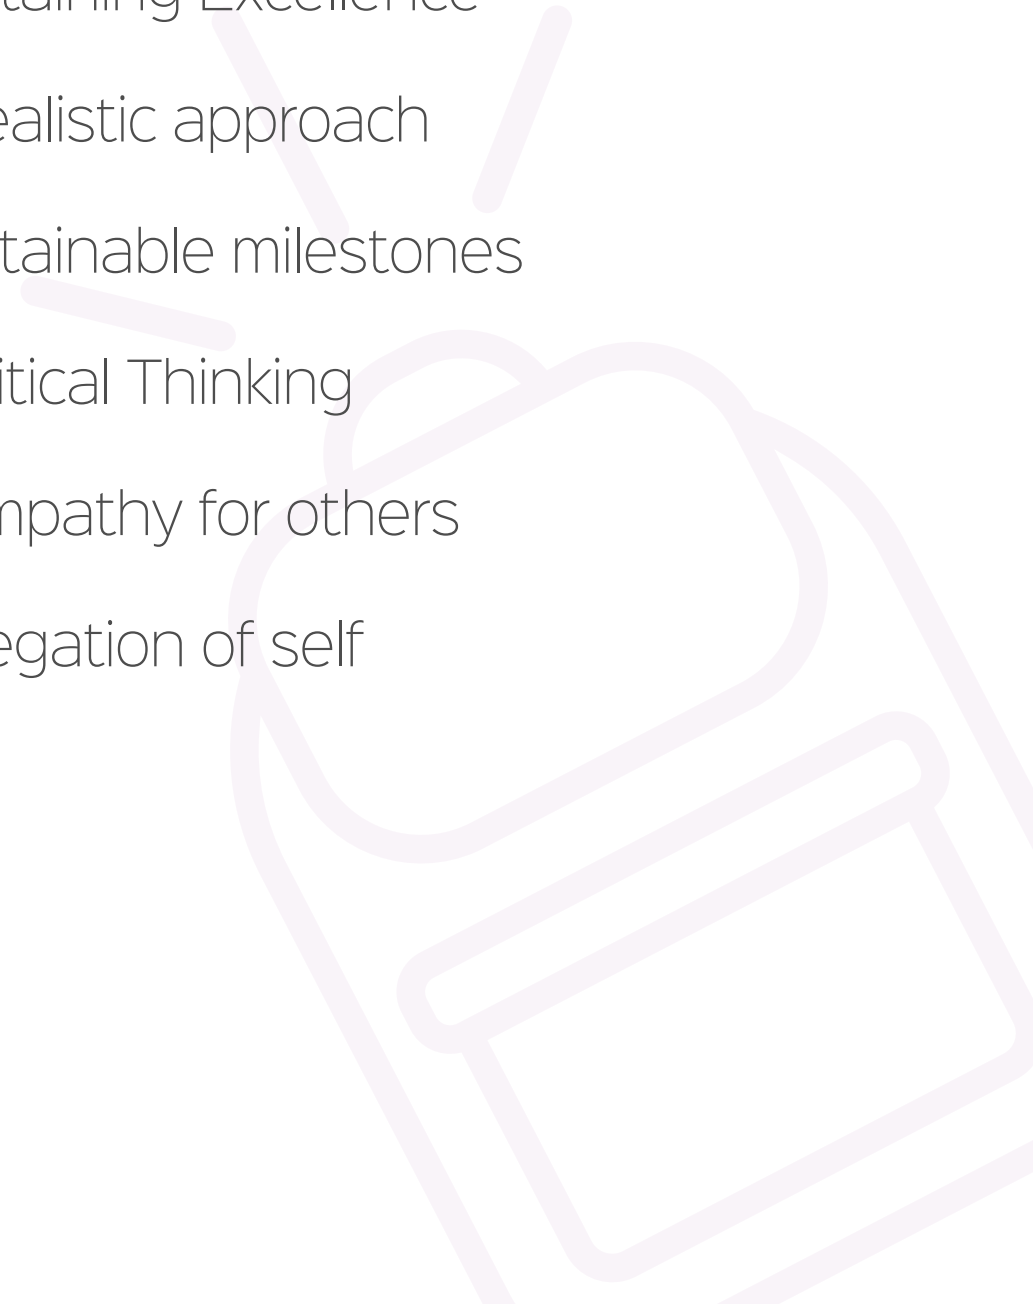

VISION

Converting untapped natural talent into the most refined, productive and future oriented humans to work on multiple and diversified fields.

MISSION

Discovering and enriching the hidden treasures of wisdom amongst humans to elevate prosperity and peace on earth. We believe in adopting the concept of change that echoes millions of year's history loaded with art and literature, science and fiction and human ambitions buried around us and teach us the importance of continuous struggle.

VALUES

- S** Safe & Secure environment
 - A** Attaining Excellence
 - R** Realistic approach
 - A** Attainable milestones
 - C** Critical Thinking
 - E** Empathy for others
 - N** Negation of self
- 

SARACEN IDEOLOGY

*Saracen concept is an influenced version of Syed Ameer Ali book "**The history of Saracens**" in 1926 and the first Saracen school was established in 2014 at Khayaban e Quaid, Lahore. The God has blessed us with a wonderful team that earned a remarkable credibility in educational sector. All members are forward-looking, dedicated and honest professionals who are working to convert dreams into reality.*

Prof. Iftikhar Ahmad Shiekh

THE FOUNDER'S MESSAGE

Education true meanings is love, care and respect with diversity of objectives and molding its shape in prosperity and peace. Pakistan needs our care and concern to uplift the human's prestige through its youth and deliver the universal work of prophets. The destiny must be beyond the horizons but it requires an understanding of hard work, honesty and complete trust on the CREATOR. Saracen schools will deliver education with responsibility and vision, I wish a competitive team of teachers, support staff and parents to promote our cause for the great purpose of humanity. My humble gratitude to all stakeholders for engaging our youth in educational pursuits and noble work for the global world.

Director Business Development

As a Business Development professional, my priority is to drive meaningful growth through quality education and strategic innovation. I aim to expand Saracen International's impact by empowering students, strengthening institutional partnerships, and creating opportunities for sustainable growth. Through technology, collaboration, and modern learning approaches, I strive to position Saracen as a leading institution committed to excellence, character, and a better future.

OUR CARE!

We realize the position of all stakeholders as our equal partners. Our bonding will be based on mutual respect and understanding for a better business venture with educational and corporate social responsibility. The Network Associates will be partners for life caring each other's interest above the self. The next immediate step is to launch competitive colleges and make a difference notable in the market. The prime focus will be on life skills through societies and clubs

- *Creative Approach on Non-Structured Life Problems*

DAYCARE & PRE-SCHOOL!

Our Daycare and Preschool emphasize nurturing what matters most to children, families, and educators. We ensure that children experience:

- A safe, stimulating, and supportive environment for growth
- Involving Kids in social, emotional, and cognitive skills
- Age dynamic to plan five senses activation.
- Liberal integration of objects through learning & understanding based on the children's knowledge and building new experiences.
- Create interest and learn skills to support literacy into a well-balanced understanding of the core curriculum that supports the learning of languages, social awareness, math, science, music and art.
- This programme incorporates interactive technologies to provide children a captivating and multi-sensory learning experiences.

**Charismatic Kids
(Daycare)** is a competitive move in early education. We understand the formative years must concentrate on encouragement for the growing minds to learn through multiple resources, experiencing and exploration.

CHARISMATIC KIDS
daycare & preschool

PRESCHOOL CURRICULUM:

We believe that the formative years from 0 to 7 are important in the overall development of children. It is designed to challenge young children to develop literacy, numeracy, problem-solving skills and creative thinking, which are life-skills that have been identified as critical in the new globalized world.

- Age dynamic to plan five senses activation.
- Liberal integration of objects through learning & understanding based on the children's knowledge and building new experiences.
- Create interest and learn skills to support literacy into a well-balanced understanding of the core curriculum that supports the learning of languages, social awareness, math, science, music and art.
- This programme incorporates interactive technologies to provide children a captivating and multi-sensory learning experiences.

Pedagogy

(shifting of paradigm)

- from content-based to process-based programs
