

SCHOOL FOR **GENERATIONS**

FORWARD LOOKING PASSION

Since it is conceived, the founder is continuously striving for its application. It has passed rigorously through a process of making and remaking to reach this stage of unveiling. Education is a process which is disciplined, thorough and careful like a head-on war situation to stay ahead and notable. We aim to ensure our presence in various countries to prove that Pakistan is not a regressive country in developing the best benchmarks in quality education. Our team's outlook will pursue on delivering knowledge, developing skills and creating an attitude of high morals standards to embrace humanity. Our passion is to follow all dramatic challenges to cultivate our students on market demands. We wish great partners who understand and support our sincere efforts for educating people.

VISION

Converting untapped natural talent into the most refined productive and future oriented humans to work on multiple and diversified fields.

MISSION

Discovering and enriching the hidden treasures of wisdom amongst humans to elevate prosperity and peace on earth. We believe in adopting the concept of change that echoes millions of year's history loaded with art and literature, science and fiction and human ambitions buried around us and teach us the importance of continuous struggle.

SARACEN IDEOLOGY

*Saracen concept is an influenced version of Syed Ameer Ali book "**The history of Saracens**" in 2001 and the first school was established in 2014 at Khayaban e Quaid, Lahore. The God has blessed us with a wonderful team that earned a remarkable credibility in educational sector. All members are forward-looking, dedicated and honest professionals who are working to convert dreams into reality.*

OUR CARE!

We realize the position of all stakeholders as our equal partners. Our bonding will be based on mutual respect and understanding for a better business venture with educational and corporate social responsibility. The Network Associates will be partners for life caring each other's interest above the self. The next immediate step is to launch competitive colleges and make a difference notable in the market. The prime focus will be on life skills through societies and clubs

THE FOUNDER'S MESSAGE

Education true meanings is love, care and respect with diversity of objectives and molding its shape in prosperity and peace. Pakistan needs our care and concern to uplift the human's prestige through its youth and deliver the universal work of prophets. The destiny must be beyond the horizons but it requires an understanding of hard work, honesty and complete trust on the CREATOR. Saracen schools will deliver education with responsibility and vision, I wish a competitive team of teachers, support staff and parents to promote our cause for the great purpose of humanity. My humble gratitude to all stakeholders for engaging our youth in educational pursuits and noble work for the global world.

ASSOCIATED MENTORS

The ever changing corporate affairs demand strong and transparent compliance with high-level morale and corporate social responsibility. I prefer strong internal controls and compliance with positive relationships with all stakeholders. I am sure a strong team can build a strong business image, and Corporate Floor will contribute at its best.
